

Below is a list of the hardwood lumber that we typically stock. Most of our lumber is stocked already surfaced, but rough lumber is available with enough notice. We also have a large variety of species and thicknesses of lumber that we can get quickly. Lumber is sold by the board foot and discounts are given to the trade and for larger quantities. As prices do fluctuate, please call for current pricing.

4/4 Lumber (S2S to 1/2")	4/4 Lumber (S2S to 13/16")	8/4 Lumber (S2S to 1-13/16")
